

A detailed Halloween-themed illustration. In the background, a large, multi-story haunted house with a prominent tower and many windows is set against a dark blue night sky. A large, bright full moon hangs behind the house. To the left of the house, a skeleton is hanging upside down from a bare, gnarled tree branch. To the right, another skeleton is standing on a similar branch, with one arm raised. A witch in a black hat and dress is flying on a broomstick across the sky in front of the moon. The foreground is dark and filled with the silhouettes of bare trees and tombstones. At the bottom, there are two jack-o'-lanterns: a smaller one on the left and a larger, more detailed one on the right with glowing orange eyes and a jagged mouth. The word 'HALLOWEEN' is written in large, bold, yellow, slightly irregular capital letters across the middle of the image.
